LANCER BASEBALL CAMPS '13-'14

ABOUT OUR CAMPS

The purpose of the Lancer Baseball Camps is to provide fundamental baseball instruction for area youth and to help advance area baseball programs. The camps are designed to enhance their skills and to provide a unique opportunity for area youth to receive collegiate-level instruction from college baseball coaches.

ABOUT LANCER BASEBALL

The Mount Marty Lancer Baseball team has a proud tradition of putting competitive teams on the field and training quality student-athletes off the field.

On the field, the Lancers compete in the Great Plains Athletic Conference (GPAC) which is considered one of the top NAIA conferences in the country.

The GPAC has proven to be an exciting opportunity for the Lancers. In 2010 the Lancers were crowned GPAC Regular Season Champions. The 2010 season was a banner year for the Lancers setting school records for wins with 39 and a postseason run which finished up one game away from the NAIA World Series. In 2012 the Lancers had a strong finish to their season capping it off with a GPAC Tournament Championship. In total, Mount Marty has won seven championships at the conference level over the last eighteen years.

Academically, the Lancers have also set a strong tradition in the classroom. The Lancers hold the record for recording the most Daktronics Scholar Athletes in a season with 10 for the 2006-07 school year. The Lancers have also been named an NAIA Baseball Scholar team the last ten seasons in which they have led the nation in four of those years for team GPA.
